Jim,

It appears temporarily moving the server into your lab is acceptable to DPH. I will work on getting it scheduled and keep you posted. Thanks Jim.

Hi,

Thank you for checking with us in regards to the server move.
I talked with Sharon and Eric who said moving the server would be fine.

Of course perform a backup prior to the move.

Thanks,

Kip

Folks,

The DPH offices located in Morrill I will be undergoing a renovation. One of the rooms being renovated is N251A which currently houses a DPH computer server. While on site Jim Hanchett mentioned there was

rooms in his DPH lab N236 to temporarily relocate the servicer. Can someone please confirm this is an acceptable area to relocate the server. If another room is desired please let me know.

Thanks,

Stephen
